Buzescu Ca is a law firm with a multi-faceted intellectual property practice. The Firm advises a wide range of clients on trademark, patent, and copyright issues.

The practice area includes the registration of protective rights and the transfer of intellectual property rights to third parties through assignment, license, and cooperation agreements. The Firm also represents owners of major brands in enforcing their intellectual property rights before the Trademark and Patent Office, and the courts. The Firm lawyers coordinated campaigns against infringement of various trademarks. The team advised clients on unfair competition issues, and prevention of misleading and deceptive branding.

The Firm advised on trademark registration, trademark searches, trademark due diligence, trademark oppositions, trademark litigation, unfair competition clients such like The Coca-Cola Company, Petromin Saudi Arabia, Martini & Rossi, Procter & Gamble, British American Tobacco, Gucci, Hermes, Pierre Cardin, Ferrero S.p.A, Medochemie Ltd., Canadian Oxy Ltd., Elite Industries, Henkel, Iguacu de Cafe Soluvel, Petromin Inc., Quark. The team coordinated successful campaigns against infringements of international trademarks. In 2002 – 2003, the Firm acted as counsel to The Coca-Cola Company, and Coca-Cola HBC Bucharest with regard to the trademark due diligence related to the acquisition of Dorna Apemin S.A., a Romanian natural water company, which included the transfer of the biggest portfolio of national and international marks to date in Romania. The Firm's lawyers handled police investigations and seizures of counterfeited products, oppositions, contest applications, and court cases on behalf of The Coca-Cola Company, Martini & Rossi, Gucci, Ferrero S.p.A., Medochemie Ltd., and Hermes.

The team advised clients on a dispute concerning the expiration of a drug patent, claims for patent and design infringements.

With regard to copyrights the Firm's lawyers advised clients on a dispute regarding concepts, ideas of an audio-video show, with regard to the negotiation of a software development and distribution agreement, and with regard to misappropriation and illegal distribution of its software programs. Clients include Coca-Cola HBC Bucharest, IT Casino Solutions LLC, Precision Castparts Corporation.
